**Georg Jensen Pendant (Frog) in Silver, SHAPIRO & Co since 1979**  
**£325.00**

Born in 1866, Jensen was the son of a knife grinder in the town of Raadvad, just to the north of Copenhagen. Jensen began his training in goldsmithing at the age of 14 in Copenhagen. His apprenticeship with the firm Guldsmed Andersen, ended in 1884, and this freed Georg to follow his artistic interests.
