

L.U.Chopard 2294 Chronometer Tonneau White Gold POA

Value for money here is off the charts, the L.U.Chopard 2294 with its entirely in house automatic movement, its slim white gold case shows that Chopard who are still an independent Swiss watchmaker can produce high caliber pieces

Reference number 2294 comes with a 18ct white gold Tonneau case, silver dial and leather strap with white gold with L.U.C. pin-buckle.

Inside the case is Chopard's entirely in-house calibre 3.97 automatic movement, with crystal case back.

Circa 2010
