

SHAPIRO & Co  
since 1979

**Diamond Ring in 14ct Gold date circa 1960, SHAPIRO & CO since 1979  
£3,250.00**

Q: How long does 14K Solid Gold last?

A: With care, 14k solid gold can last forever. Gold is one of the most long-lasting materials available for fine jewellery. Even if you have an active lifestyle, solid gold can withstand most elements and still retain the warmth and colour that we all know and love.

<b>Period</b>	1960s
