

**Sapphire Diamond Buckle Ring in 18ct Gold date circa 1960, Lilly's Attic since 2001  
£675.00**

Q: When were belt buckles invented?

A: There have been reports of archeologists finding evidence of custom belts and custom belt buckles dating back to the early 6th and 7th centuries in Europe. In the 1500s, decorative belts and custom-made belt buckles seem to have been worn for the first time as a symbol of status in Regional Spain.
