

**Gold ring with an ancient Roman intaglio carved into an apotropaic 'eye'.
£2,000.00**

A gold ring set with a Roman intaglio carved into an apotropaic 'eye'.

The agate intaglio is engraved with the image of Minerva holding a small figure of winged Victory.

The agate intaglio is ancient Roman, 1st - 2nd century AD.

The high carat gold ring is modern.

Ring size Q UK / 8 US (measured on the leading edge).
