**Large filigree silver gilt ball form pomander. Spanish, circa 1700.  
£2,250.00**

A large filigree silver gilt ball form pomander.

Spanish, circa 1700.

Measures 6 x 4cm excluding loose bail.

The silver gilt pendant composed of fine filigree work would have contained a scented mixture, a vinegar soaked sponge, amber gris or even a bezoar and depending on the contents would protect from various ailments. The ball is suspended from a large bail which would have been worn on a
