

PEARL SET GOLD AND ENAMEL WATCH £4,200.00

A late 18th Century pearl set gold and enamel watch. Later fitted keywind gilt bar movement with suspended going barrel. Plain cock with polished steel regulator, plain three arm gilt balance with blue steel spiral hairspring. Polished steel cylinder, steel escape wheel. Winding through the white enamel dial, Arabic numerals, pierced gold hands. Gold consular case, the bezels set with a row of split pearls. Gold back of translucent dark blue enamel over an engine turned ground, decorated with a polychrome scene of a couple sitting in a garden. Numbered rectangular gold and enamel pendant.
