

**Alabaster sculpture of Saint Peter. Flemish, late 16th century.
£8,500.00**

An alabaster sculpture of Saint Peter.

Flemish, late 16th century.

Measures 51 x 26 x 11cm.

The Saint in finely carved and patinated alabaster is stood with flowing robes, the bible clutched within the crook of his right arm and the iron key to heaven in his outstretched left hand. Mounted on a dark marble base.
