

Tudor Montecarlo 7149/0 1977

£15,500.00

This is certainly one that you don't get to see very often, The Tudor Monte Carlo 7149/0 is an excellent example of a vintage classic and is accompanied by a Tudor wallet, manual and papers dated September 1977. The watch is provided in a later version Tudor box.

We decided to leave the watch unpolished, as we tend to do with a lot of vintage pieces. As you'd be able to see from the pictures, there are obvious signs of wear but this is something typical for a watch of such age. Performance wise, the watch functions within the industry set parameters.

The Tudor Monte Carlo, model 7149/0, features a 40mm stainless steel case, a fixed bezel with a
