

## **Tudor Submariner 75090**

**£4,750.00**

Very very few of these 36mm Tudor Submariners anywhere! Even less so that have the original bracelet in place and ever fewer that have the original box swing tags and papers as this one does.

Its important to note that we have purposely left this watch unpolished so it will show wear and tear, marks and scratches consistent with a watch of over 30 years old however its also important to note it hasn't been polished, appears to all be original and is complete with any wear and tear not effecting the general appearance or operation of the watch.

Accompanied with box, papers and manuals dating the watch to June 1994 having originally been
