

## **Rolex GMT-Master II 16713 Full Set 2004** **£9,750.00**

This Rolex GMT Master II has just arrived in stock being presented as a full set consisting of inner and outer boxes, cloth, 3 manuals, wallet, swing tag and papers dated January 2004. The watch has some minor marks on the bracelet, however, we took the stance not to polish it. Offered with our 12-month warranty.

The Rolex GMT Master II, model 16713, features a 40mm stainless steel case, a yellow gold bi-directional rotating bezel with a black insert, black dial with combination of dotted, baton and arrow hour markers, date aperture at 3 o'clock and a sapphire crystal glass.
