

Baume and Mercier Bull Horn Chronograph
£1,600.00

Watch: Baume and Mercier Bull Horn Chronograph
Stock Number: CHW5041
Price: £1600.00

A truly remarkable Chronograph from the early 1930's that is phenomenal condition and working order for a watch of nearly 100 years old!

There's more to this watch than those beautiful 'Bull Horn' lugs, its operated by the much respected Landeron 47 Calibre movement.

Stunning condition navy blue dial with gold printed hour makers and chronograph features. 38mm steel case its fitted to a generic blue textile strap that works well with the colour scheme.

Signed throughout. Exceptionally rare case really only found on a Omega collection of the same period
