

Suffragette Pendant. CHIQUE to ANTIQUE £1,295.00

Antique Edwardian Suffragette Diamond Peridot Amethyst Pendant, my favourite thing. A small but significant and meaningful pendant. 15ct yellow gold mount with pave set diamonds in silver to the bale and shoulders of the pendant. Natural pearls set around the heart shape main body of the pendant. there are five small Edwardian cut diamond with central articulated drops, amethyst and peridot. The drops give the beautiful pendant some movement, enhancing this mesmerising piece. The pendant is 4cm drop x 2cm wide. We have a selection of antique chains for sale, contact us for information. Chain sold separately, other chains available. Contact us for details.
