

Cartier Panthere Cougar 183964

£2,850.00

We have given this a complete service and a polish. The watch is presented with both inner and outer boxes, pouch, wallet, manuals and papers dated 1993.

This Cartier Cougar, model 183964, features a 30mm stainless steel case, fixed gold bezel, cream dial with Roman numerals, blue hands, date aperture at 3 o'clock and a sapphire crystal glass.

The watch operates from an quartz powered movement and is fitted to a Cartier bracelet with the more desirable double yellow gold row running through it.
