

Omega DeVille Prestige 424.10.37.20.02.001
£1,350.00

An exceptional example of this Chronometer Co-Axial Omega De Ville Prestige, condition wise its a 9/10 having passed through our workshop its also in fine working order and has had a recent independent service.

Accompanied with Omega service box, Pictogram card, our 12 month guarantee and insured nextday shipping. Currently fitted to a generic mesh style steel bracelet the original Omega bracelet is in box and comes with the watch.

As no warranty card present and the serial number is 87XXX we know that the watch is 2008+thought to be later than 2012.

37/38mm stainless steel case, silvered dial with silver hands and the date aperture to 3.

2500 Calibre give this automatic watch a power reserve of up to 48 hours. Sapphire crystal, waterproof to 30 meters. To fit a wrist up to 8 inches on either bracelet.

An excellent example at a great price.
