

OMEGA Seamaster 2531.80.00
£2,600.00

A really fine example of the classic Omega Seamaster Automatic. Presented with original box, warranty card and manual its hard to believe this watch dates to 2006 due to its excellent condition having passed through our watchmaker and polisher.

Wave blue dial with luminous spot hour markers and the date window to 3 with a sweeping seconds hand with red tip to compliment the steel hands. Waterproof to 300 meters this is the automatic version of the Seamaster that operates from an ETA 2892-A2 calibre movement that provides a power reserve of up to 44 hours.
