

A very fine pair of Vintage Colombian Emerald and Diamond Drop Earrings, in 18ct. White Gold (tested), Continental Marks. Circa 1950 POA

A very fine pair of Colombian Emerald and Diamond Drop Earrings, in 18ct. White Gold (tested). Each in the form of a graduated double Diamond drop, suspending two Pear Shaped Diamond set outlines, in turn containing an articulated Pear Shaped Emerald. Accompanied by an independent report assessing the Emeralds as 2,75 Carats (total un-weighed), Colombian in origin, Colour Grade Green, moderately included with an indication of moderate oil. The 28 Round Brilliant Cut Diamonds have been assessed as 4.40 Carats (un-weighed), I - J Colour and VS2 - SI1 Clarity. Sprung hinged fastenings (which if required, we could change to modern post and butterfly fittings).
