

CARTIER Must De Cartier Tank Vermeil 156376
£1,650.00

A wonderful example of an early 90's Cartier Tank Must De Cartier Vermeil, manual wind and in fine condition this watch is a rare find in this order and with this dial configuration.

Very well maintained the Vermeil (gold plating over silver) case shows no sign of flaking and looks to be in near perfect condition. Blue stone intact in crown and although the gold coloured hands show some natural discolouration and aging / patina are original and in good all round condition.

Brown dial stamped with the Cartier logo and sign in gold. Fitted to a generic brown lizard effect strap on a generic gold coloured buckle.

Measuring approx. 20 x 28mm case size makes this watch unisex. 057 Calibre manual wind movement.

Accompanied with our 12 month guarantee in addition to the original Cartier Box.
