

Tudor Black Bay 58 925 - 79010SG-0001
£2,800.00

One of the rarest modern day Tudor and one that bucks the trend in being made from 925 Silver with a satin finish. The 39mm case displays a wonderful exhibition caseback showing the MT5400 Calibre movement that gives this watch a power reserve of up to 70 hours.

Dated to March 2022 by the original Tudor Warranty card that accompanies the watch in addition to this we have a Tudor box, white watch specific swing tag and wallet.

Rotating grey coloured bezel works beautifully with the silver coloured case and brown leather original Tudor strap that has cream stitching and Tudor buckle. Domed sapphire crystal, waterproof to
