

**Omega Constellation 795.1076**  
**£1,000.00**

This petite ladies Omega Constellation is a fine example with a little more glamour to it than most versions of this model. The Roman numeral bezel has been changed to an Omega factory set diamond bezel (the original is included in the sale).

23mm stainless steel case, diamond set gold bezel.

Champagne coloured dial to match the gold bezel and pins in the steel bracelet.

Sapphire crystal, quartz battery powered with recent new battery. Full recent polish and accompanied with 12 month guarantee.
