

## Omega Constellation Chronometer £1,040.00

The Omega Constellation Chronometer Automatic Men's Watch is a classic timepiece, featuring a sleek black dial and a precise Caliber 1111 movement. Its distinctive Roman numeral bezel adds a touch of sophistication. Though very used, the watch remains in good working condition, showcasing Omega's renowned durability and craftsmanship. It comes with an aftermarket strap, offering a unique look and comfortable fit. This watch is a great opportunity to own a piece of Omega's prestigious history at a more accessible price.
