

18kt Gold and Platinum Emerald and Diamond Ring **£13,950.00**

Introducing our exquisite 18kt Yellow Gold and Platinum Three-Stone Emerald and Diamond Ring, crafted circa the late 1990s. This hallmark piece features a timeless design, marked with an 18kt gold stamp.

The ring boasts clean lines and a modern aesthetic, highlighted by a stunning central emerald totalling 3.00 carats and a two trillion-cut diamonds, totalling 1.60 carats.

The emerald, cut in a classic emerald style, showcases the gemstone's clarity and vibrant colour through its large, open facets.

Set in a luxurious yellow gold setting, the emerald is perfectly complemented by the brilliance of the trillion-cut diamonds, which are set in platinum prongs. This combination enhances their sparkle and adds a touch of sophistication.
