

**Art Deco 14kt gold and platinum diamond cluster ring  
£895.00**

Art Deco 14kt gold and platinum hexagonal - shape diamond cluster ring.

**Design:** The ring showcases an Art Deco design, characterised by its geometric shape and intricate craftsmanship.

**Setting:** It features a hexagonal setting with a central old European-cut diamond, surrounded by additional smaller diamonds, enhancing its brilliance and sparkle.

**Materials:** The ring is made from a combination of platinum and 18kt yellow gold. Platinum is used for the setting and prongs, providing a secure hold for the diamonds, while the band is crafted from 18kt yellow gold.

**Diamonds:** The central diamond is an old European-cut, known for its round shape and high crown, which maximises the stone's light performance. The surrounding diamonds are also old European cuts, adding to the ring's vintage appeal.

#### Historical Context

**Art Deco Era:** The ring dates back to the Art Deco period, which spanned the 1920s to 1930s. This era is renowned for its bold geometric designs, luxurious materials, and intricate detailing. Jewelry from this period often reflects the glamour and sophistication of the Roaring Twenties.
