

ANTIQUE FACETED 9CT GOLD SPLIT RING
£190.00

A super cool fully faceted split ring made of 9ct gold with a slight rose patina.

The ring is partially open so super easy to add chunkier jump rings.
It does not clip closed but is super secure once the pendant has been added.

Hallmarked for 9ct gold

MEASUREMENTS

Diameter approx: 1.5cm

Thickness of ring approx: 0.2cm

WEIGHT

Weight approx: 1.15g

MATERIAL

9ct gold

CONDITION

Good - note the ring does not clip shut, it works more like a key ring mechanism.
