

Cartier Santos 8191
£1,500.00

Classic Cartier its got all the hallmarks, Brilliant white dial with black roman numeral hour markers make this Cartier Santos Ronde Vendome instantly recognisable. Yellow gold smooth bezel, blue stone in crown and box and papers!

33mm steel case with the yellow gold fitted bezel this is certainly an elegant watch. Cartier stamped dial, the workings of this watch have been refitted by Cartier with a new quartz movement roughly 3 years ago.

Fitted to a generic black leather strap and steel buckle.

Its a lovely plus that this watch comes with the original box and paperwork dating the watch to 1985. Condition wise its excellent and hard to believe almost 40 years old.

Our View - If your looking for a classic Cartier with box and papers then this is it, we get lots pass through our hands but very few with the box and papers. at under £1700 its great value too.

Antique ref: CHW5693
