

**Omega Seamaster Cosmic 2000 166.137**  
**£1,850.00**

This Omega Seamaster Cosmic 2000 166.137 from the early 1970's is in remarkable condition for a watch of this age. Yes, some marks and scratches here and there but nothing more than what would be expected of a watch over 50 years old. Original condition too with the Bakerlite bi-directional rotating black bezel and fitted to the original bracelet (Clasp code 1198/195).

This automatic watch is powered by a 1012 calibre movement. 39mm stainless steel case and presented as watch only (with out 12 month guarantee).

Black dial with baton hour markers. Silvered hands and date window at 3
