Perhaps the most in demand Swiss Watch brand presently, this Cartier Tank Must 2415 is a really elegant example of 90's Cartier. Famously the Tank Must range are vermeil meaning gold over silver as is shown with the case of this one.

Classic Cartier off white dial with black roman numeral hour markers, Navy hands and the black track around the dial. As always with Cartier on this model the crown features a blue stone which is intact.

22 x 29mm silver case with gold coating fitted to a signed Cartier brown crocodile strap. The strap is perfectly usable however does show some wear and tear as you can see from the images. We have chosen to leave in place as Cartier signed and generally good condition throughout. Generic buckle.

Mineral Glass this is a quartz battery powered watch.

Our View - A very attractive option for a classic Cartier that is well priced.
