About designer André Vassort

He was a renowned French jeweller who made significant contributions to the world of fine jewellery, particularly through his work for prestigious luxury brands like Van Cleef & Arpels. He established his own jewellery workshop in Paris during the mid-20th century, gaining a reputation for exceptional craftsmanship and intricate designs.

Collaboration with Van Cleef & Arpels:

Vassort's partnership with Van Cleef & Arpels is one of the highlights of his career. He designed and manufactured several of their iconic pieces, known for their refined elegance and superb attention to detail. His workshop was responsible for producing not only necklaces but also a range of jewellery, from brooches to bracelets, often featuring precious gemstones and high-quality metals like 18kt gold and platinum. His signature creations for Van Cleef & Arpels exemplify the Maison's distinctive style, with an emphasis on timeless elegance and harmonious designs.
