

Kutchinsky 18kt Gold Diamond cluster ring
£4,400.00

Kutchinsky 18kt Yellow Gold Diamond Flower cluster ring.

The 18kt gold setting is crafted into a floral cluster pattern, with the gold petals textured to resemble intricate flower shapes.

Each flower is centred with a small diamond, creating a striking and luxurious design. This style, featuring organic, nature-inspired elements, was popular in the 1960s, reflecting a love for bold yet elegant statement pieces.
