**£995.00**

Watch: Tudor Prince 12856

Stock Number: CHW5733

Price: £995.00

A really fine example of a Tudor Prince 12856 made under licence from Dennison in the UK in the 1950's. Fine working order and condition throughout and to make it that little more special presented with its original box too.

33mm stainless steel case fitted to a expandable steel bracelet. The dial silver / white colour that has naturally aged to show a wonderful patina as have the hands in going a creamy yellow colour to match the hour pips.

Manual wind movement and due to the age not considered waterproof. Presented with our 12 month guarentee. Purposely left unpolished and as original as it can be.
