Watch: Omega Constellation Day Date 168.016  
Stock Number: CHW5757  
Price: £1050.00

This Omega Constellation Day Date 168.016 dates back to 1969, in wonderful condition and fine working order it shows very little sign of its age.

Fitted to a new Hirsh generic black leather strap and steel buckle.

35mm stainless steel gold plated case with steel case back. The dial is a champagne colour with baton hour markers and the day and date at 3. A few tiny marks across the dial in places as you would expect.

Operating from a 751 Calibre movement the watch has recently been serviced and so will give a power reserve of up to 45 hours.

Plexiglass and due to age not water resistant.
