A rare and wonderful example of the Cartier Pasha this Limited Edition Pasha C W3108199 comes complete with original box, manuals and guarantee dating the watch to 2005.

Unlike many other's in the Pasha range this has a beautiful metallic salmon pink dial giving a completely different look from different angles and sunlight.

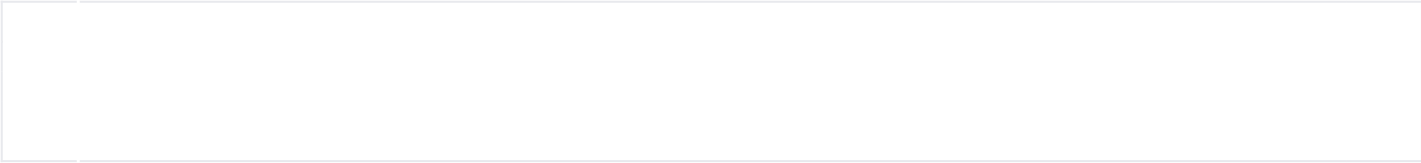

35mm stainless steel case with sapphire scratch resistant crystal. An automatic movement powers this watch.

The dial has the date between 4 and 5 and Arabic blue numerals at 3,6, 9 and 12.

Fitted to a signed black leather Cartier strap with signed Cartier deployment clasp. Strap is perfectly wearable but you may choose to change. Blue stone in the crown fully intact.

Our View - Overall a really fine complete example of what is a quite rare configuration watch in automatic and pink dial.

Available to be dispatched from London today.
