

**Cartier Must De Cartier Tank 1996 Full Set
£1,795.00**

Watch: Cartier Must De Cartier Tank 1996 Full Set
Stock Number: CHW5615
Price: £1,795.00

Delighted to be able to offer this Cartier Must De Cartier presented in excellent working order but showing some signs of wear including a minor mark on the edge of the glass between 7 and 8o'clock. The watch is accompanied by its inner box, all manuals, and a warranty card dated 1996.

This Cartier features a silver gold plated case measuring 23 by 30mm, black dial with white Roman Numerals, silvered hands and a mineral crystal.

The watch operates from a manual wind movement and albeit the case states it is water resistant to 20m we advise against using it in water.

Fitted to a generic black leather strap with an unsigned pin buckle
