

Vintage 14kt Gold and Diamond Ribbed Earrings. **£1,200.00**

Vintage 14kt Gold and Diamond Ribbed Earrings.

Design: The earrings feature a bold, geometric design, characteristic of Retro Modern styles, which was popular from through the 1950s. The design is composed of horizontal, parallel ridges that create a textured surface. This ribbed pattern is both visually striking and adds a tactile element to the earrings.

Central Gemstone: Each earring has a single round diamond set in the centre held within a bezel setting. The bezel setting is smooth and surrounds the diamond completely, offering a secure and modern look.
