

Art Deco Platinum Diamond Sapphire ring
£4,000.00

Art Deco Platinum Diamond Sapphire ring.

Shape: The centre sapphire is a rectangular or cushion-cut stone, which is typical of the Art Deco period.

Style: The ring has a halo of pavé-set diamonds surrounding the sapphire, with additional diamonds on the band. The lines and symmetry of the design suggest Art Deco influence, with geometric and structured patterns being dominant.

Pattern:

The ring's design emphasizes a bold, symmetrical layout typical of the Art Deco period.
