

Smiths Empire

£395.00

Watch: Smiths Empire
Stock Number: CHW5798
Price: £395.00

The Empire line is a more accessible range of watches made by Smiths, often produced from the 1930s to the 1950s. Smiths gained a strong reputation when one of its watches was worn by Sir Edmund Hillary during the first successful ascent of Mount Everest in 1953.

This delightful Smiths Empire is amazing condition considering we believe it to be from the 1950s
