£8,900.00**

Vintage platinum diamond and ruby hummingbird brooch.

This platinum hummingbird brooch was made in the mid-20th century and showcased a combination of rubies and diamonds. The bird's body is adorned with a cabochon ruby, representing the head, while its wings are set with brilliant-cut diamonds for a striking sparkle. Additional calibre-cut rubies accentuate the feathers, creating a vivid contrast with the diamonds and adding depth to the design.
