

18kt White Gold 5-Stone Sapphire Ring
£1,400.00

18kt White Gold 5-Stone Sapphire Ring .

Material: 18kt White Gold
Ring Size: UK Size O (equivalent to EU 54, US 7)
Weight: 3.08 grams
Dimensions: 2.4 x 2 x 0.5 cm

Gemstone Details

Sapphires
Cut: Oval
Total Carat Weight: 1.50 cts (individual stones: 0.50 ct, 0.40 ct, 0.20 ct)
Quantity of Stones: 5
Treatment: Natural (treatment unknown)

Design Features

This elegant ring features a classic five-stone arrangement of natural sapphires, each securely set in claw mounts. The sapphires are well-matched in a deep, vivid blue hue, adding a bold touch to the white gold band. The lightweight design ensures comfortable wear, while the open-back setting highlights the brilliance of the stones from all angles. A timeless piece suitable for both formal and everyday wear.
