

## **Vintage 18kt Yellow Gold Diamond Solitaire Ring (Circa 1970s) £565.00**

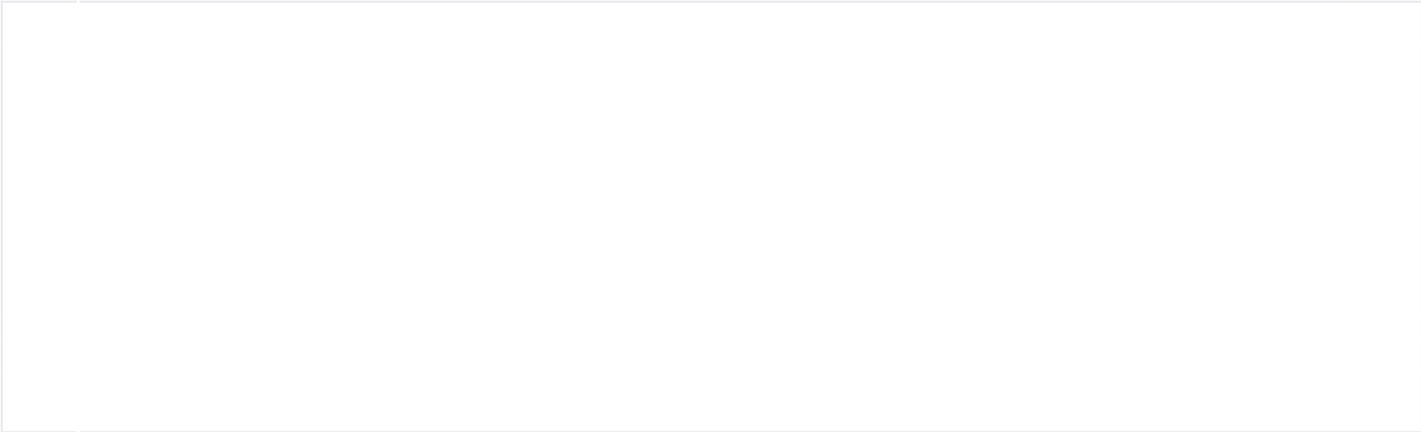

This is a vintage diamond solitaire ring made from 18kt yellow gold, featuring a bypass band design that emphasizes the central diamond. The design reflects the craftsmanship of the 1970s and offers a simple yet unique aesthetic. The hallmarks are clearly visible, verifying the metal purity.

### Details:

Metal: 18kt Yellow Gold  
Weight: 3.28 grams  
Ring Size: UK M  
(Equivalent to EU 52 / US 6.25)  
Era: Circa 1970s  
Hallmarks: 750 for 18kt gold  
Gemstone:

Diamond:  
Cut: Round Brilliant  
Total Carat Weight: 0.15 cts  
Clarity: SI1  
Colour: G/H  
Treatment: Natural

**Design Highlights:** The ring features a single diamond set in a classic claw mount, securely held in place to enhance its brilliance. The bypass design creates an asymmetrical flow to the band, giving the piece a distinct character compared to traditional solitaire rings. The gold band shows a light patina typical of vintage items, adding to its authenticity.
