£3,150.00**

Platinum 14.39 carats half drop shaped Aquamarine accented with round brilliant - cut diamonds. Hallmarked for platinum.

This platinum pendant features a 14.39-carat pear-shaped aquamarine, notable for its exceptional clarity and pale blue hue. The aquamarine is precision-cut to maximize brilliance and light reflection, enhancing its visual impact. It is securely set within a minimalist platinum frame, which emphasizes the gemstone's natural beauty while providing structural stability.

The design incorporates 0.62 carats of brilliant-cut diamonds, strategically placed on the bail and along an accenting band adjacent to the aquamarine. These diamonds are expertly set to enhance the pendant's overall radiance and provide a complementary contrast to the aquamarine's subtle coloration.
