

**Theo Fennell 18 kt. Yellow gold 1.50ct. Emerald ring
£4,450.00**

This stunning ring by renowned British designer Theo Fennell is crafted from 18kt yellow gold and showcases an oval-cut natural emerald weighing approximately 1.50 carats. The vibrant green emerald originates from Colombia and displays moderate clarity enhancement, as confirmed by an attached Gemmological Certification Services (GCS) certificate.

The ring features a beautifully intricate design, incorporating sculptural motifs typical of TheoFennell's craftsmanship. The piece weighs 7 grams and has a finger size of N (UK). The band measures approximately 2.3 x 2.2 cm, ensuring a comfortable and balanced fit.
