- Luster: Good, with a soft, glowing finish

**Treatment:** No indications of treatment, adding to its rarity and value

**Certification:**

The pearl is accompanied by a Gemmological Certification Services (GCS) report, verifying its authenticity and natural origins. The certification highlights:

No indications of treatment

A rare saltwater pearl, making this piece a prized collectible

**Why This Piece Stands Out:**

**Rarity:** Natural pearls are exceptionally rare, especially those certified as untreated and saltwater.

**Craftsmanship:** As a product of Tiffany & Co., this piece reflects their dedication to quality and timeless design.

**Versatility:** The simplicity of the design allows it to complement both vintage and modern jewelry collections.

This stickpin is a perfect example of understated luxury and would make an exceptional gift or addition to a discerning jewelry collection.
