

**18kt Gold Ring with Coat of Arms**  
**£9,950.00**

A remarkable 18kt yellow gold ring showcasing exquisite Neo-Renaissance artistry, crafted with intricate detailing and rich symbolism. This bold, sculptural piece features:

**Central Crest/Coat of Arms:** An engraved papal tiara and crossed keys, symbols of the Vatican, suggesting a connection to Catholic ecclesiastical or noble heritage.

**Ornate Details:** The sides are adorned with finely sculpted allegorical figures and floral motifs, creating a dramatic and elegant design.

**Historical Significance:** Likely Italian in origin, this piece reflects the opulence and craftsmanship of the late 19th to early 20th century, possibly crafted for a high-ranking religious figure or as a ceremonial gift.

**Hallmarks:** Stamped with "750" for 18kt gold purity, along with an artisan's mark indicative of its authenticity and provenance.
