

Rolex Datejust 36 Box and Papers Rolex Service 2022 POA

Watch: Rolex Datejust 16233
Stock Number: CHW5925
Price: £5600.00

A finer example of a classic Rolex Datejust 16233 may well be hard to find! There are lots of these available and advertised however this one stands out from the rest and in our view represents exceptional value for one of the best presented versions of the model.

Complete with inner and outer box, all the manuals, wallet and Rolex Warranty papers dating the watch to 1999 (T serial) and first sold in the UK. In addition to this the watch underwent a documented service with Rolex in 2022 meaning the watch will be fine for years to come.

As you would expect after that service recently in excellent working order and now having been through our workshop in excellent condition too. No major marks or scratches, a recent polish but all those defined edges intact. Some wear as you would expect from the bracelet however not worthy of repining and left original.

36mm stainless steel case with fluted yellow gold bezel. Champagne original dial (this can be changed for an additional cost to another Rolex Factory dial). Date window at 3.

Full length Jubilee steel and yellow gold bracelet with double fold clasp. Sapphire scratch resistant crystal and waterproof to 100 meters.

This automatic watch operates from a 3135 calibre movement providing a power reserve of up to 42 hours.
