

**18kt gold 20.93 cts. aquamarine and 0.37 cts. diamond bracelet
£4,450.00**

18kt yellow gold 20.93 carats aquamarine and 0.37 carats diamond bracelet.
Made in Circa 1970 - 1990s.

Design: The bracelet features a double row of alternating oval - cut aquamarines and diamonds, each individually bezel-set in yellow gold. The arrangement creates a striking, continuous pattern that highlights the vibrant sapphires and sparkling diamonds.
