

**18kt gold Tahitian and South Sea pearl ring.
£1,200.00**

18kt gold Tahitian and South Sea pearl ring.

This ring combines the exotic allure of a Tahitian black pearl with the classic elegance of a South Sea white pearl in a bold, modern design.

Design: The ring features a contemporary asymmetrical design with two large pearls—one black and one white—set on opposite ends of the gold structure. The gold setting is sleek and sculptural, wrapping smoothly around the pearls to enhance their size and lustre.

Pearls: One black Tahitian pearl.
One South Sea pearl based on its large size and soft, lustrous finish.

Dimensions and Weight:
Size: UK: N (US: 6 3/4, EU: 54)
Weight: 16.00 grams

Condition: The ring appears to be in good condition with no visible damage to the pearls or gold setting.
