

IWC Aquatimer Automatic IW354807
£2,750.00

Watch: IWC Aquatimer Automatic IW354807
Stock Number: CHW5943
Price: £2750.00

Iconic IWC range this Aquatimer Automatic IW354807 is in unpolished condition and about as original as it can be. Just the one previous owner from when first sold in the UK in 2009. We have chosen to leave unpolished but of course can be upon request. Box and Papers accompany the watch although as is common the box has started to degrade somewhat.
