

**Country Artists filled silver deer figurine
£895.00**

This filled sterling silver deer sculpture was crafted by Country Artists in 1995. The piece is hallmarked with the CA mark, indicating the maker, along with English hallmarks for authenticity. It depicts a deer in mid-call, with finely detailed texture that captures the natural beauty of the animal. The craftsmanship reflects the high-quality work for which Country Artists is known, with attention to detail in the fur and posture of the deer.
