## Victorian 9K Gold Pink Sapphire and Rose-Cut Diamond Screw-Back Earrings (Circa 1880s)

These elegant Victorian earrings, crafted in 9K gold, feature a classic cluster design with vibrant pink sapphires at the centre, surrounded by sparkling rose-cut diamonds. The oval-cut pink sapphires, weighing approximately 0.50 carats each (1.00 carat total), exhibit a lovely natural hue that adds a touch of colour and refinement.

Each earring is encircled by nine rose-cut diamonds, totalling 0.90 carats across both earrings. The diamonds' gentle sparkle beautifully complements the sapphires, creating a harmonious and timeless look. The screw-back fittings ensure a secure and comfortable wear, making these earrings as practical as they are stylish.
