Retro 18K Gold Ring with Natural Rubies and Diamonds (Circa 1930s)

This stunning Retro-era ring, crafted in 18K yellow gold, features an eye-catching combination of natural rubies and diamonds. The bold design, characteristic of the 1930s, showcases clean geometric lines with a modernist flair, reflecting the aesthetic of the time.

The centerpiece consists of six square-cut natural rubies, each weighing approximately 0.15 carats, along with a single baguette ruby (approx. 0.05 carats). Together, the vibrant rubies boast a total weight of 0.95 carats, their rich red hues beautifully complemented by the gold setting. Accenting the rubies are 10 round brilliant-cut diamonds (SI1 clarity, F-G colour).

The ring's wide band and dynamic design make it a statement piece, perfect for collectors and enthusiasts of Art Deco-inspired jewellery.
